**DECISION AND ORDER**

Enel X North America, Inc. (Enel X) filed an application with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for an electricity retailer (agent only) licence renewal. The OEB accepted the application for processing on September 11, 2020. Enel X provided additional information to complete its application on October 9, 2020. The licence would allow the applicant to continue acting as an agent or broker on behalf of consumers and retailers with respect to the sale or offering for sale of electricity in Ontario.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an agent only electricity retailer licence to Enel X North America, Inc.

**IT IS ORDERED THAT:**

1. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
