Decision Confirmation**

Dear Ms. Long:

On August 17, 2020, Kitchener-Wilmot Hydro Inc. (“KWHI”) submitted its IRM Application to the Ontario Energy Board (“the Board”) for rates effective January 1, 2021. A Decision was issued by the OEB on December 10<sup>th</sup>, 2020.

KWHI has reviewed the draft Tariff of Rates and Charges and notes an inaccuracy in the Retail Service Charges – Notice of Switch letter. The charge listed on KWHI’s draft rate order is \$2.04. KWHI’s IRM Rate Generator determined the charge for the Notice of Switch letter to be \$2.08. In addition, in Decision EB–2020-0285 issued December 3<sup>rd</sup>, 2020 regarding inflationary adjustment for energy retailer service charges, the Notice of Switch letter is listed as \$2.08.

Contact the undersigned should you require any further information.

Respectfully submitted,
