Dear Ms. Long

**Re: EB-2019-0261 – Hydro Ottawa Limited 2021-2025 – Draft Rate Order**

We are counsel to the School Energy Coalition (“SEC”). SEC has reviewed the Draft Rate Order and the accompanying rate models submitted by Hydro Ottawa Limited (“Hydro Ottawa”). After some discussion with Hydro Ottawa clarifying certain changes it made to the inputs to the rate models, with the exception of the issues addressed by OEB Staff in its comments which we agree with, the Draft Rate Order appears to be consistent with the approved Settlement Proposal and Board decision.

Yours very truly,
