Dear Ms. Long:

**Re: Enbridge Gas Inc. (Enbridge Gas)
January 1, 2020 QRAM Application
Board File No. EB-2020-0264**

OEB staff has reviewed Enbridge Gas's January 2021 QRAM application and makes the following comments.

In its application, Enbridge Gas stated the following:

TCPL filed their final Settlement rates for approval by the CER on October 30, 2020. Since TCPL has already obtained approval of the Settlement, Enbridge Gas expects the CER will approve final tolls effective January 1, 2021 as filed.

OEB staff requests that Enbridge Gas clarify whether the “approval of the Settlement” mentioned in the application is in relation to the approval of the parties to the Settlement, rather than the approval of the CER.

Yours truly,

Ritchie Murray
Case Manager
