Dear Ms. Long:

**Re: EB-2020-0264 – Enbridge Gas Inc. – January 1, 2021
Quarterly Rate Adjustment Mechanism (“QRAM”) Application**

Enbridge Gas Inc. (“Enbridge Gas”) received OEB Staff’s letter dated December 14, 2020 with regards to Enbridge Gas’ January 1, 2021 QRAM application.

In the letter Enbridge Gas was asked to clarify whether the “approval of the Settlement” mentioned in the application is in relation to the approval of the parties to the Settlement, rather than the approval of the CER.

Enbridge Gas would like to clarify that the CER approved the settlement as filed which the parties to the settlement (Tolls Task Force) unanimously supported. Enbridge Gas would also like to inform OEB Staff that the CER has now approved final tolls on December 14, 2020 in CER order TG-014-2020, and the CER has now approved abandonment surcharges in CER order TG-013-2020. Both final tolls and abandonment surcharges were approved as filed and there is no change to the QRAM application filed by Enbridge Gas.

Should you have any further questions on this matter please contact the undersigned at 416- 495-5642.

Sincerely,

Asha Patel
