Dear Ms. MacKinnon:

**Re: Hydro One Networks Inc.
2021 Transmission Revenue Requirement Application
Ontario Energy Board File Number: EB-2020-0202**

The OEB provided a draft Decision and Order in relation to the above-noted proceeding on December 5, 2020. On December 8, 2020, in its comments on the draft, Hydro One noted Page 1 paragraph 5 lines 3 and 4 should refer to rates revenue requirement and that Hydro One still requires the Foregone Revenue Transmission Deferral Account to record the regulatory tax impact from the disposition of the OPEB Cost Deferral Account and to record accrued interest for the Foregone Revenue over the disposition period to be approved in the UTR proceeding. Both requested changes were made to the draft Decision and Order.

The OEB has now issued a final Decision and Order. A copy of this document is enclosed with this letter.

Yours truly,
