Dear Ms. Nanninga:

Re: Kitchener-Wilmot Hydro Inc. - EB-2020-0035 Application for 2021 Rates

The Ontario Energy Board (OEB) issued a Decision and Rate Order in the above-noted proceeding on December 10, 2020. This Decision and Rate Order was accompanied by a Tariff of Rates and Charges (Schedule A), which the OEB stated would remain “draft” until after Kitchener-Wilmot Hydro had an opportunity to review it for completeness and accuracy. On December 14, 2020, Kitchener-Wilmot Hydro provided its comments on the Tariff of Rates and Charges, noting an incorrect charge for the “Notice of Switch” letter.

Pursuant to Rule 41.02 of the OEB's *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers this to be a typographical error.

Today, the OEB is reissuing the Tariff of Rates and Charges (Schedule A) with the error corrected. The correction can be found on page 12, a copy of which is attached. The rate description and charge, located in the Retail Service Charges section, now reads:

Notice of Switch letter charge, per letter	\$2.08
--------------------------------------------	--------

The Decision and Rate Order, as originally issued, stated:

Notice of Switch letter charge, per letter	\$2.04
--------------------------------------------	--------

The Decision and Rate Order, as originally issued, is not otherwise changed in any way.

Any questions relating to this letter should be directed to Marc Abramovitz at marc.abramovitz@oeb.ca. The OEB's toll-free number is 1-888-632-6273.

Yours truly,
