**TRANSCANADA PIPELINES LIMITED  
APPLICATION FOR INTERVENOR STATUS**

---

1. TransCanada PipeLines Limited (TransCanada) is a federally incorporated Canadian company.
2. TransCanada owns and operates a high pressure natural gas transmission system which extends from Alberta across Saskatchewan, Manitoba and Ontario, through a portion of Québec, and connects to various downstream Canadian and international pipelines (the Mainline). The National Energy Board regulates TransCanada's operation of the Mainline.
3. TransCanada transports natural gas on the Mainline for others for use in the Canadian domestic market and for export from Canada into the United States.
4. Enbridge Gas Distribution Inc. (EGD) is a large domestic customer on the Mainline. TransCanada has an interest in matters involving EGD's system, services, and rates that may affect the services EGD requires on the Mainline.
5. Additionally, as a major transporter of natural gas in Canada, TransCanada is interested in any regulatory precedents that may be set in this proceeding, and the effect such precedents may have on TransCanada's pipeline interests.

6. TransCanada reserves its right to participate in all aspects of the proceeding, including evidence, interrogatories, cross-examination, and argument.
7. TransCanada wants to receive all prefiled material and any further notices or other material that may be issued or filed in connection with this proceeding. The names, mailing and electronic addresses, telephone and facsimile numbers of TransCanada's representatives are as follows:

8. TransCanada does not intend to seek an award of costs for its participation in this proceeding.
9. TransCanada does not have a preference for a written or an oral hearing.

Calgary, Alberta  
September 15, 2006

Respectfully submitted,  
TransCanada PipeLines Limited
