Dear Ms. Long:

**RE: EB-2020-0290 – 2022-2026 Payment Amounts Application**

Attached please find an application by Ontario Power Generation Inc. (“OPG”) for an order or orders approving payment amounts for prescribed generation facilities commencing January 1, 2022. OPG is submitting this application on the Regulatory Electronic Submission System (“RESS”).

OPG was on target to submit this application to the OEB by July 31, 2020. However, as a result of the COVID-19 emergency and its impacts to OPG’s business and operations, OPG needed to assess these impacts and then amend its 2020-2026 Business Plan that underpins the application in order to reflect these impacts. Despite the circumstances of the COVID-19 pandemic, OPG is filing this application in accordance with the OEB’s performance standards for cost based applications with a revenue requirement greater than \$500M.

Please contact me if you have any questions with this submission.

Best regards,

Brenda MacDonald
