Dear Ms. Long:

**Re: Imperial Oil Limited
Waterdown to Finch Project
OEB File No. EB-2020-0219: Abell Cost Claim**

In accordance with the Ontario Energy Board (“OEB”) decision dated December 17, 2020 in the above noted file and the Practice Direction on Cost Awards, please find attached the cost claim documentation for 112308 Ontario Inc. and 2394561 Ontario Inc. (collectively “Abell Properties”).

This was an unusual hearing in that Abell Properties had to familiarize itself with the prior leave to construct proceeding in order to meaningfully participate in the present motion as it was not proximate to the original route. Further, Abell Properties was required to provide evidence and respond to interrogatories from Imperial Oil and OEB Staff which led to commitments for improvements to the safety of Abell Properties, its tenants and the public.

Yours truly,

AIRD & BERLIS LLP
