Dear Mr. Earle:

**Re: Request for Intervenor Status
Application for Leave to Construct –
Hydro One Networks Inc. Power Downtown Toronto
Ontario Energy Board File Number: EB-2020-0188**

This letter is in response to your letter dated January 5, 2021 requesting that the City of Toronto (Toronto) be granted intervenor status in the above proceeding. Your letter also requested that, if Toronto is granted intervenor status, that the deadline for the filing of its interrogatories be extended to January 8, 2021.

No objection was received from Hydro One Networks Inc.

Toronto is approved as an intervenor. Toronto shall file its interrogatories by January 8, 2021. The procedural schedule established through Procedural Order No. 1, dated December 10, 2020, otherwise remains unchanged. For clarity, intervenors other than Toronto are required to file interrogatories by January 6, 2021.

Yours truly,
