Dear Ms. Long

EB-2020-0150 – Application by Upper Canada Transmission Inc./NextBridge for 2022-2031 Rates

We are consultants to the Consumers Council of Canada (“Council”) in the above-referenced proceeding. We have reviewed the interrogatories posed by Ontario Energy Board Staff and other intervenors filed on January 7, 2020. In light of our review the Council will not be filing interrogatories in addition to those already filed. We will continue to participate in the all of the upcoming stages of the proceeding.

Yours truly,

Julie E. Girvan
