Dear Ms. Long:

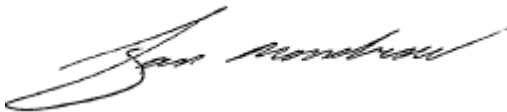

Re: EB-2020-0091 – Enbridge Gas Inc. (EGI) Integrated Resource Planning (IRP) Proposal.

Industrial Gas Users Association (IGUA) Notice of Non-Filing of Interrogatories.

We note the significant number of interrogatories already filed in this matter and we have considered the provision already made for a Technical Conference to clarify interrogatory responses. In this context, we expect a relatively comprehensive record and have concluded that submitting additional interrogatories on behalf of IGUA would not likely be of assistance to the Board and so we will not be doing so.

We look forward to reviewing the responses to the interrogatories already filed by others.

Yours truly,

Ian A. Mondrow
