The Ontario Energy Board (OEB) received Demand Power Group Inc.'s application for an electricity storage licence on January 8, 2021. The OEB has assigned file number EB-2021-0003 to the application. The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

The OEB has preliminary reviewed your application. Your application is currently incomplete and cannot be processed until the following has been filed:

1. Facility Description – Sections 9, 10 and 11

In your application you identified only one storage facility, namely Envista Energy (Vision) that Demand Power intends to operate. However, in a separate application filed

by Narrows Green LP (OEB File EB-2020-0310), Demand Power was identified as an operator of Narrows Green (Agnora) storage facility.

If Demand Power intends to operate Narrows Green (Agnora) storage facility, please complete and file with the OEB sections 9, 10 and 11 of the application form for Narrows Green (Agnora) facility.

## 2. Connection – Section 11

Please provide a diagram demonstrating all components of the storage facility, distribution assets to connect to the customer's facility and to the distribution system, and the connection point to the customer's facility, as well as the ownership of the land on which these components are located. Please identify the ownership of all components included in the diagram, i.e. if the components are owned by the owner of the storage facility (Envista or Narrows Green), the customer, or the third party. Please provide a separate diagram for each facility that Demand Power intends to operate.

The OEB will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Once your application is complete, the Delegated Authority expects to issue a final decision on your application within 60-90 days.

In the event the Delegated Authority decides to deny or otherwise modify the relief you requested in your application, you will be given an opportunity to provide comments. The Delegated Authority will consider your final comments, if any, prior to issuing a decision and order.

Please submit the additional material electronically in Word and in searchable Adobe Acrobat (if available) to the Registrar at [registrar@oeb.ca](mailto:registrar@oeb.ca).
