Good morning,

Hydro One Networks Inc. ("Hydro One") has applied to the Ontario Energy Board ("OEB") for permission to reconductor approximately 11.9 kilometres of a high-voltage transmission line from Hawthorne Transmission Station to Merivale Transmission Station, in the Ottawa area.

Last week Hydro One couriered Notice of Hearing packages regarding the aforementioned project, however, due to recent COVID-19 Stay-at-Home orders and potentially limited access to offices, we have attached the package for your review.

The project's application and evidence, along with the OEB's Notice of Hearing in English and French, can also be found at the following link:
