January 21, 2021

DECISION AND ORDER

Comsatec Inc. filed an application with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for an electricity retailer (large volume consumers only) licence renewal. The OEB accepted the application for processing on November 30, 2020. The licence would allow the applicant to continue retailing electricity to large volume consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an electricity retailer licence to Comsatec Inc.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence (large volume consumers only) is granted, on such conditions as are contained in the attached licence.
