Re: EB-2020-0042

Dear Sirs:

As requested by the letter dated November 9, 2020 from the OEB Registrar, Niagara-on-the-Lake Hydro confirms that it requesting the full inflation factor of 2.2% less its stretch factor of 0.3% for a net inflation adjustment of 1.9% for its 2021 IRM rate application.

Yours truly,

Tim Curtis  
President
