Dear Mr. Shepherd:

**Re: Enbridge Gas Inc., NPS 20 Waterfront Relocation Project
Pre-Settlement Conference Questions from School Energy Coalition
Ontario Energy Board File Number: EB-2020-0198**

On January 19, 2021, the School Energy Coalition (SEC) filed with the OEB Registrar documents setting out pre-settlement conference questions for the applicant, Enbridge Gas Inc. (Enbridge Gas), and the City of Toronto.

The OEB notes that the settlement conference for this proceeding is scheduled for January 25-26, 2021. Further to the letter issued by the OEB on January 18, 2021, the OEB understands that OEB staff proposed that all parties in the proceeding may submit pre-settlement conference questions to each of Enbridge Gas and Waterfront Toronto and suggested that responses be provided before the settlement conference. If settlement is reached, the questions may be appended to the settlement agreement. However, such questions and responses, if any, are not filed on the record ahead of the settlement conference.

Yours truly,
