Dear Mr. Kaiser:

**Re: Enbridge Gas Inc., NPS 20 Waterfront Relocation Project
Pre-Settlement Conference Questions
Ontario Energy Board File Number: EB-2020-0198**

On January 19, 2021 the Toronto Waterfront Revitalization Corporation (Waterfront Toronto) filed with the OEB Registrar a document setting out pre-settlement conference questions for the applicant, Enbridge Gas Inc. (Enbridge Gas), in the above-noted proceeding.

The OEB notes that the settlement conference for this proceeding is scheduled for January 25-26, 2021. Further to the letter issued by the OEB on January 18, 2021, the OEB understands that OEB staff proposed that all parties in the proceeding may submit pre-settlement conference questions to each of Enbridge Gas and Waterfront Toronto and suggested that responses be provided before the settlement conference. If settlement is reached, the questions may be appended to the settlement agreement. However, such questions and responses, if any, are not filed on the record ahead of the settlement conference.

Yours truly,
