Dear Ms. Long:

**Re: EB-2020-0030 – Hydro One Networks Inc. Distribution 2021 Rates – Cost Claim Reply**

We are counsel to the School Energy Coalition (“SEC”). We are in receipt of Hydro One’s objection to SEC’s cost claim. SEC relies on the letter accompanying its cost claim, which addresses the issue raised in Hydro One’s objection. SEC requests the Board exercise its discretion and award it the full amount included in the cost claim.

Yours very truly,
