Dear Ms Walli

Enbridge Gas Distribution Inc. 2007 Test Year Rate Case

Board File No.: EB-2006-0034

Our File No.: 016778-000042

We are submitting this letter on behalf of Union Energy Limited Partnership (“Union Energy LP”) in response to the Notice of Application (the “Notice”) by Enbridge Gas Distribution Inc. (“EGD”) for rates for 2007. The Notice appeared this past weekend in newspapers distributed in municipalities served by EGD.

1. Union Energy LP applies for intervenor status in these proceedings.
2. Servicing approximately 1 million customers in Ontario, Union Energy LP is a completely Canadian-owned and operated company. Through its 790 highly trained employees, Union Energy LP offers efficient essential home comfort services designed to help customers manage their home in a way that is worry-free, cost-effective and energy-efficient. Union Energy LP rents, installs and services more than 1 million gas and electric water heaters, throughout Ontario, under the Union Energy and Ontario Hydro Energy brands. It also sells, rents, installs, and maintains a growing range of essential home comfort heating, air conditioning, and indoor air quality equipment, as well as comprehensive parts and service programs and on-demand HVAC service. In addition, Union Energy LP provides consumer financing for purchasing essential home comfort equipment.
3. Union Energy LP intends to consider and address all matters pertaining to the “Open Bill” proposals which EGD has made in these proceedings.
