Dear Ms. Long:

**Re: Ontario Energy Board File No.: EB-2020-0290
Ontario Power Generation 2022 – 2026 Rate Application
Independent Electricity System Operator – Intervention Request**

The Independent Electricity System Operator (IESO) is in receipt of the Ontario Energy Board's (OEB) Notice of Application for the above noted proceeding and is writing to request intervenor status.

The IESO is responsible for maintaining and administering the Ontario wholesale electricity markets, and directing the operation and maintaining reliability of the IESO-controlled grid. The IESO also has the mandate to ensure the adequacy and efficiency of electricity supply in the province through planning of electricity supply and forecasting demand.

The IESO has a direct interest in this application as it directs the operation of generation and transmission facilities, including interconnection facilities that are situated in Ontario.

The IESO will not be seeking cost awards and asks that all correspondence be addressed to Adrian Pye, Senior Regulatory Advisor, at 905-601-2858 and by email at RegulatoryAffairs@ieso.ca.

Yours truly,

Devon Huber
Senior Manager, Regulatory Affairs
