Dear Ms. Long:

Re: OEB File No. EB-2020-0249 EB-2018-0219 PUC Distribution Inc. ("PUC Distribution")

PUC Distribution has reviewed the letter from counsel to School Energy Coalition dated today's date requesting a technical conference be held in respect of the above noted matter.

To the extent there are still items that need further information or explanation, PUC Distribution has no objections to attending virtual technical conference to help address any unanswered questions. We understand the OEB is currently conducting all proceedings virtually. By holding the technical conference virtually, it will avoid having witnesses travel from Sault Ste. Marie to Toronto during this period of heightened pandemic response.

Please feel free to contact us to schedule availability of all relevant witnesses should the Board decide to proceed with a virtual technical conference.

Sincerely,

A handwritten signature in black ink that reads 'Tyler Kasubeck'.
