LAFARGE CANADA INC.

Application for an Electricity Wholesale Licence

BY DELEGATION, BEFORE: Brian Hewson

Consumer Protection & Industry Performance

February 9, 2021

DECISION AND ORDER

Lafarge Canada Inc. (Lafarge) filed an application on November 3, 2020, with the Ontario Energy Board (OEB) pursuant to section 60 of the Ontario Energy Board Act, 1998 (OEB Act), for a renewal of its electricity wholesaler licence. On November 29, 2020, the applicant filed additional information and the application was deemed complete.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant has been previously licensed by the OEB, however neglected to renew its previous electricity wholesaler licence and has been operating without a licence since February 12, 2011 contrary to section 57 of the OEB Act, and may be subject to an OEB compliance action.

After considering the application, the OEB finds that it is in the public interest to issue the electricity wholesaler licence to Lafarge. This licence is granted without prejudice with regard to any future compliance actions.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
