Dear Mr. Quinn:

**Re: Request for Intervenor Status  
Enbridge Gas Inc., Branchton Relocation  
Ontario Energy Board File Number: EB-2020-0065**

This letter acknowledges receipt of your letter dated February 20, 2021, filed on behalf of the Federation of Rental-housing Providers of Ontario (FRPO), requesting intervenor status in the proceeding for Enbridge Gas Inc.'s (Enbridge Gas) Branchton Relocation application, EB-2020-0065.

The OEB issued a Notice of Hearing on November 24, 2020. The deadline for intervention requests was December 14, 2020.

On January 22, Enbridge Gas filed a letter with the OEB requesting that the proceeding be adjourned in order for Enbridge Gas to assess the effect of the new edition of the CSA Z662 pipeline standard on the proposed project. On January 25, the OEB placed the application in abeyance until Enbridge Gas files updated evidence on or before March 26, 2021 or withdraws the application.

Your request for intervention status will be addressed if or when Enbridge Gas resumes the current application or files an updated or new application.

Please direct any questions relating to this application to the Case Manager, Ritchie Murray, Project Advisor, at 416-454-8837 or [ritchie.murray@oeb.ca](mailto:ritchie.murray@oeb.ca).

Yours truly,
