ATT: Hydro One Administration

We received a notice today that Hydro One is proposing to more than double our monthly hydro billing rate. By reviewing the attached it appears our monthly hydro assessment would increase from an average of \$300/400 per month to \$600/800 dollars per month. If the attached data has been assessed correctly this amount of increase is extremely unreasonable. What can we do to object to such an unreasonable hydro fee increase.

Bill MacKay
