Dear Ms. Walli:

Re: Consultation on Energy Issues Relating to Low Income Consumers
Board File No.: EB-2008-0150
Intent to Participate

Please accept this letter of intent to participate in the aforementioned consultation.

This issue is of particular interest to *ENWIN*. *ENWIN*'s service area, the City of Windsor, suffers from the highest unemployment rate in Ontario, and for a number of months had one of the two highest unemployment rates in the country. *ENWIN* employs a number of practices to mitigate the impact on low income consumers and the impact on *ENWIN*'s return on equity.

ENWIN looks forward to a solution-oriented process that addresses the many issues relevant to consumers and the LDCs that serve them.

Yours very truly,

***ENWIN* Utilities Ltd.**
