As a seasonal resident of rural Kenabeek, I am greatly concerned about the extremely prohibitive proposed rate hike for our cabin.

We are extremely frugal with our use of hydro.

The proposed 112% increase for our property hydro rates is daunting and creates great hardship.

Perhaps all Hydro One users could share all distribution costs evenly so that no one area or group is punished or rewarded via location.

I appreciate your consideration.

Thank you most kindly.

Maria (Mary) Schmidt
