my cottage residence is [REDACTED] on Six Mile Lake but we don't get postal service so I don't have a postal code for the cottage. My concern with this Hydro One proposal (EB-2020-0246 elimination of seasonal rate class) is that I am already paying 40% more for my annual hydro bill to Hydro One than I pay for my hydro at my bungalow in Richmond Hill which we live in full time with 4 of us living at our home address. The idea of raising my already outrageous hydro one bill for my cottage by 10% makes no sense. I protest this increase and will also send a note to my MPP to protest this proposal.
