Dear Ms. Long:

**Re: Halton Hills Hydro Inc.
2021 Cost of Service Rates Application
Board File No.: EB-2020-0026**

We are counsel to the Distributed Resource Coalition (**DRC**). The Board invited intervenors to file submissions on an unsettled issue in Procedural Order No. 6. The unsettled issue is set out as follows in the Settlement Proposal filed on February 18, 2021 (at page 17):

“Is HHHI’s approach to applying the half-year rule (in the year the TS came into service) to the TS ICM costs included in the 2021 Test Year opening rate base correct or appropriate?”¹ (the **Unsettled Issue**)

DRC wishes to note that it takes no position on the Unsettled Issue.

Sincerely,

A handwritten signature in black ink that reads "Jonathan McGillivray". The signature is written in a cursive style with a large, sweeping flourish at the end.

Jonathan McGillivray
