Hi

My husband and I own a cottage at 370 Hiscockshores and we received a Notice that Hydro One will be eliminating the Seasonal Rate Class, so does this mean they will be removing the delivery charge that I receive on my bills? I always thought that this delivery charge was because it is a seasonal cottage because I do not receive such a charge on my monthly bills for my residential home??

As well what is my property classified as? R1 or R2 or UR class?If someone can please advise I would greatly appreciate it.

Thanks

Patricia
