Dear Mr. Nolan:

**Re: Alectra Utilities' Regulated Price Plan Pilot (Board File No. EB-2016-0201)**

I am writing to advise that the Ontario Energy Board (OEB) has accepted Alectra Utilities' (Alectra) Final Results Report for its Regulated Price Plan (RPP) pilot project, as submitted to the OEB on January 18, 2021. As stated in the May 30, 2019 letter to Alectra regarding the extension and modification of its RPP pilot, Alectra's 17-month report constitutes the Final Results Report for that pilot for the purposes of Alectra's reporting milestones and settlement with the Independent Electricity System Operator (IESO).

Further to the process and expectations set out in the OEB's November 14, 2018 and July 31, 2019 letters, Alectra's Final Results Report has been made public and the OEB is conducting a review of Alectra's pilot project expenditures prior to confirming the amount of the final payment to be made by the IESO.

Sincerely,

Mary Anne Aldred  
Chief Operating Officer & General Counsel
