Good Afternoon,

I received notice related to this proposed changes on February 24, 2021.
I did not expect that there would be some reduction in payment, it is usually opposite.
But, , I found that my hydro bill payment will increase at least 100%, if these changes will be implemented. Which
perceived to be a very steep increase in payment in a very short time.
I would like to be included in the future discussions related to this matter.

Thank you,
Yevgen
