Dear Ms. Walli,

Re: EB-2008-0150 Consultation on Energy Issues Relating to Low Income Consumers

Ontario Energy Savings L.P. ("OES") is a large retailer of natural gas with affiliates that operate in numerous jurisdictions throughout Canada and the United States. In Ontario, OES provides more than 500,000 customers with energy services. As a result, issues set out for this consultation are directly relevant to OES. OES wishes to be recognized as a participant in the consultation in the English language and will not be seeking an award of costs. The information for the purposes of service and delivery of documents in the proceeding are outlined below:
