Dear Ms. Long:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (OEB) File No.: EB-2020-0192  
London Lines Replacement Project (Project)**

---

On January 28, 2021 the OEB issued its Decision and Order for the above noted proceeding which included, as Schedule B, several Conditions of Approval.

Per section 5. of the Conditions of Approval, Enbridge Gas is to provide the OEB with notice in writing, prior to the start of construction, of completion of the Environmental Protection Plan (EPP), Environmental Management Plan (EMP) and Contingency Plan and to make a copy of this available upon request. Enbridge Gas is therefore advising the Board that the EPP is now available. The environmental management activities and mitigation measures along with contingency plans are all integrated into the EPP.

Please contact me if you have any questions.

Yours truly,
