I have had my cabin for 13 years, I live 6hrs away so not the easiest to get up there .if my rates double & I can't get up there,wouldnt make much sense to keep it. I love it up there ,it's the only thing I look forward to,

i call my place a little piece of Heaven. I have always paid my taxes and electric bills on time, have made repairs & cleaned up the yard, still lots to do. Would really hate to sell it!
