Just received letters from Hydro-One for my 2 seasonal billings, going to R2 class. Called OEB about EB2020-0246. Both location increase 100%. I've owned these 35 yrs. Never had Ont. Hydro & now Hydro-one on properties to deal with issues. All service disruptions have been on main feeders or along HWY118E. This is not right! I feel completely disgusted and ripped off by the OEB and Hydro-one.
