Re: Ontario Energy Board ("OEB" or the "Board") - File No. EB-2010-0232 Enbridge Gas Inc. ("EGI") Affiliate Relationships Code Exemption

In its February 22, 2011 decision the OEB directed EGI to file with the Board a copy of any new Intercompany Services Agreements ("ISA") between EGI and Gazifère Inc. ("Gazifère"). The OEB approved an ARC exemption to section 2.2.4 for emergency on-call services to allow for EGI employees to providing Gazifère with emergency on-call services, and for Gazifère employees to reciprocate those same services, in a "like for like" services exchange. EGI affirms that there have been no material changes to the facts or circumstances underlying the ARC exemption.

Enclosed is a copy of the new ISA between EGI and Gazifère.

Please contact the undersigned if you have any questions.
