To whom it may concern

We do not support the proposed plan for eliminating the Seasonal Rate Class; and do not feel it is even required.

Reasons:

- As our MPAC report states we are only seasonal occupant
- We do not require hydro services like a full time residence
- Our hydro power is turned off for 8 months of the year
- We already pay a minimum/maximum rate per month for 12 months of the year with the power we don't use as it is a 4 month seasonal residence
