Re: EB-2020-0246

Dear Hydro One:

We have been cottage residents outside Bobcaygeon, since 1985.

Most of the houses in our street -- and indeed our area -- are seasonal cottagers, not residents. I believe eliminating the "Seasonal Rate Class" would be grossly unfair: not everyone has the kinds of jobs and incomes associated with more urbanized people.

Having said that, I believe you should countermand this proposal, altogether.

Regards,
Bob Blume
