Independent Electricity System Operator – Intervention Request**

The Independent Electricity System Operator (IESO) is in receipt of the Ontario Energy Board's (OEB) Procedural Order No. 1 for the above noted proceeding and is writing to request intervenor status.

The IESO provided supporting information to Kitchener Wilmot Hydro in respect of its application to the OEB. As the OEB indicated in Procedural Order No. 1 that it would find the IESO's participation in this proceeding to be helpful, the IESO requests intervenor status to continue to provide its assistance and support in regards to this matter.

The IESO will not be seeking cost awards and asks that all correspondence be addressed to Adrian Pye, Senior Regulatory Advisor, at 905-601-2858 and by email at RegulatoryAffairs@ieso.ca.

Yours truly,

Devon Huber
