Dear Ms. Long:

**Re: 2021 Cost of Service Rate Application
Interrogatory Response Extension Request
North Bay Hydro Distribution Limited (NBHDL)
OEB File No.: EB-2020-0043**

In Procedural Order No.1 dated February 18, 2018, the Ontario Energy Board (Board) ordered that NBHDL shall file with the OEB complete written responses to all interrogatories and serve them on OEB staff and all intervenors by March 30, 2021.

NBHDL is writing to inform the board that it continues to work diligently towards the prescribed set of interrogatory responses, however NBHDL will require additional time to ensure the models and responses are complete and comprehensive. As such, NBHDL is requesting an extension of two business days, taking the deadline for interrogatory responses to Thursday, April 1, 2021. NBHDL believes that this small two-day extension should not have an effect on the remaining dates defined in Procedural Order No.1.

In the event of any further information, questions or concerns, please contact Micheal Roth, Regulatory Manager, at mroth@northbayhydro.com or (705) 474-8100 extension 263.

Sincerely,
