Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc.,
Application for Leave to Construct in the Township of Alfred and
Plantagenet
Board File No.: EB-2007-0745**

Further to conversations with Board Staff in respect of the Aboriginal consultation in the above matter, I have made an inquiry of the Ontario Native Affairs Secretariat ("ONAS") in respect of claims in the vicinity of the proposed pipeline.

On Wednesday, July 9, 2008, I spoke with Ms. Jill Comerford, Research Coordinator for the ONAS. I described the location of the project being in the eastern part of Ontario southeast of Ottawa and in the Townships of Alfred and Plantagenet. Ms. Comerford indicated that ONAS is not aware of any claims in the area other than the claim advanced by Golden Lake. A copy of this letter is being sent to Ms. Comerford. As noted in the evidence filed with the Board, Exhibit E, Tab 2, Schedule 1, page 27 and in the response to Interrogatory #6, Jacques Whitford Environmental Limited sent the Notice of Commencement of the project to the Golden Lake Reserve and no communication in respect of the project was received.

If you have any further questions in respect of this project, please contact the undersigned at your earliest convenience.
