DECISION AND ORDER

Winoa Canada Inc. (Winoa Canada) filed an application on December 11, 2020 under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for an amendment to an electricity wholesaler licence EW-2016-0269.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The application has been considered by the Delegated Authority without holding a hearing pursuant to section 6(4) of the OEB Act.

Winoa Canada Inc. is seeking a name change to its licence EW-2016-0269 to reflect a reorganization of the company that was previously named PanAbrasive Inc. The applicant filed a Certificate and Article of Amendment in support of its name change request.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to approve the amendment of the name of the electricity wholesaler licence EW-2016-0269 and issue the amended electricity wholesaler licence to Winoa Canada Inc., given its ongoing participation in the electricity wholesale markets are necessary to its operations. There are no other changes to the licence.

IT IS ORDERED THAT:

1. Electricity Wholesaler licence EW-2016-0269 is amended to identify Winoa Canada Inc. as the licensed entity. The amended licence is attached to this Decision and Order.
