To Whom it May Concern:

The attached packet includes the documents for Carmeuse Lime's application for a Wholesaler Electricity License. Carmeuse is applying to renew its license which expired in October of 2020 (license number EW-2015-0258). Carmeuse did not renew in a timely manner as the company experience personnel turnover in several key positions related to licensing in recent years and was unaware of the license expiration. Going forward, we have created a notification system to ensure we meet our documentation requirements in a timely manner.

Please accept our apologies.
