To whom it may concern,

This email is to add my voice in opposing the 95% increase for the delivery of hydro to my seasonal property. As a senior and owner of this property for more than 30 years, I find this increase unreasonable and inequitable. There is no great density in our particular area, whether it be a seasonal or a permanent residence. Therefore, it feels very much like seasonal owners are being unfairly targeted and/or are subsidizing permanent residents.

I sincerely hope that this increase is voted against.

Regards,

Ornella Marshall
