Attention: Registrar

Dear Ms. Long:

**Re: Burlington Hydro Inc. (BHI)
2021 Cost of Service Rates Application
Board File No.: EB-2020-0007**

We are counsel to the Distributed Resource Coalition (**DRC**) in the above-noted proceeding (the **Proceeding**). Further to the Board's Decision and Order dated April 15, 2021, please find enclosed DRC's cost claim in respect of the Proceeding.

DRC respectfully requests an award of 100% of its eligible costs, given its strategic and principled participation in the Proceeding, reflecting the unique interests of otherwise unrepresented BHI customers. DRC submits that this request is supported by the following considerations:

- (a) DRC participated effectively in the Proceeding, taking a surgical, principled, and coordinated approach to matters related to the integration of distributed energy resources (DERs) and assisted in contributing to the Board's better understanding of such matters;
- (b) DRC ensured that its participation in the Proceeding was focused on material issues and consistent with the scope of its intervention, as set out in its Notice of Intervention;
- (c) DRC has ensured that it has not requested recovery of costs associated with the attendance of more than one representative at the settlement conference; and
- (d) DRC participated responsibly and undertook coordination with other intervenors and Board Staff to avoid overlap, maximize efficiency, and ensure that its participation was not unduly repetitive and was focused on relevant and material issues.

We trust that this approach maximizes the efficient use of resources and the right of otherwise unrepresented and important BHI customers to be heard in a manner that is consistent with the Board's mandate and statutory objectives.

DRC respectfully requests a full award of eligible costs.

Sincerely,

A handwritten signature in black ink that reads "Jonathan McGillivray". The signature is written in a cursive style with a large initial 'J' and a long, sweeping underline.

Jonathan McGillivray
