**BY EMAIL AND RESS**

Ms. Christine Long  
Registrar  
Ontario Energy Board  
27th Floor - 2300 Yonge Street  
Toronto, Ontario M4P 1E4

Dear Ms. Long:

**Re: EB-2020-0290 - Ontario Power Generation Inc. ("OPG") Application for Payment  
Amounts (the "Application")  
Inadvertent Disclosure of Claimed Confidential Information**

Further to Ms. Wong's correspondence earlier today, this letter confirms that OPG inadvertently disclosed confidential information in its covering letter that was posted on RESS and sent to the intervenors by email yesterday. This information is the subject of a claim for confidential protection for which OPG will be seeking a ruling.

In order to preserve confidentiality pending the OEB's ruling and to avoid any potential prejudice, OPG respectfully requested the permanent removal of the covering letter from RESS, which was completed. OPG also requests that all intervenors that received the covering letter by email yesterday refrain from reviewing it and immediately delete it permanently from their records.

OPG will file and circulate a non-confidential version of the cover letter today.

Yours truly,

Aimee Collier  
Assistant General Counsel
