

**ONTARIO ENERGY BOARD**

**IN THE MATTER OF** the Ontario Energy Board Act, 1998, S.O. 1998, c.15, Schedule B, and in particular s.90 (1) and s.97 thereof;

**AND IN THE MATTER OF** an Application by Enbridge Gas Inc. for an Order granting leave to construct natural gas pipelines and ancillary facilities in the City of Ottawa.

**NOTICE OF INTERVENTION**

**OF THE**

**SCHOOL ENERGY COALITION**

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:

<http://www.rds.oeb.ca/HPECMWebDrawer/Record/589545/File/document>

3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

**Issues to be Addressed**

4. SEC’s intended participation will include the following, with a particular focus on geo-targeted DSM:
  - a. The need for the proposed facilities, if any;
  - b. The timing, impacts, costs and benefits of the proposed facilities, including the impact of the phases of the project;
  - c. The extent, if any, that the Applicant can avoid or defer the facilities through targeted conservation activities, consistent with past guidance from the Board;
  - d. The cost responsibility for the proposed facilities; and
  - e. Generally, to represent the interests of school boards and their students in this process.

**The Intervenor’s Intended Participation**

5. SEC intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearings of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order. While SEC does not currently intend to

file evidence in this proceeding, it reserves its right to do so depending on the responses to interrogatories and any other discovery processes ordered by the Board.

**Nature of Hearing Requested**

6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.

**Counsel/Representative**

7. SEC requests that a copy of all documents filed with the Board by each party to this proceeding be served on the intervenor, and on the intervenor's counsel, as follows:
