Dear Ms. Long:

**Re: EB-2020-0290 - Ontario Power Generation Inc. ("OPG") Application for Payment  
Amounts (the "Application")  
Inadvertent Disclosure of Claimed Confidential Information – Staff-002 and Staff-177**

OPG has discovered that it has inadvertently disclosed certain confidential information in its responses to Ex. L-A1-02-Staff-002 and Ex. L-D3-01-Staff-177 interrogatories posted on RESS on April 19, 2021. This information is the subject of claims for confidential protection for which OPG will be seeking a ruling.

In order to preserve confidentiality pending the OEB's ruling and to avoid any potential prejudice, OPG respectfully requests the permanent removal of OPG's response to Staff-002 and Staff-177 from RESS. OPG also requests that all intervenors refrain from reviewing these responses and immediately delete them from their records permanently.

OPG will file and circulate a non-confidential version of its response to Staff-002 and Staff-177 immediately.

Yours truly,
